Mission Statement

To provide leadership and guidance in ensuring the application of culturally competent best practices in behavioral health policy, practices, programming, and research for communities of color.

Vision Statement

The development of a coalition of behavioral health providers who are committed to creating partnerships that facilitate sustainable models of culturally competent policies. practices, programs, and services for communities of color.

Our Goals

- Create best practices service delivery models and curricula for culturally competent care
- Provide training and technical assistance in culturally relevant programming
- Develop and share innovative practice models across the behavioral health provider network

Details

Food sites offer supplemental food and groceries.

Details

General meals sites offer ready-to-eat meals.

Days and times vary by site.

A resident can get up to seven meals per week at this location. This includes a combination of on-site meals and to-go meals.

It is preferred that residents reserve meals at least one week in advance. Call the site to learn more and make a reservation.

List provided by the City of Philadelphia. Visit phila.gov/food or philabundance.org for more info

FOOD ASSISTANCE

Delaware County State Assisted Food Pantries

The County of Delaware, Department of Human Services, Adult and Family Services, has contracted with the Share Food Program (SFP) to coordinate state assisted food pantries in Delaware County. SFP is a leader in the region whose programs lead the fight against food insecurity in Delaware County. SFP serves the County by providing an expansive, quality partner network of community based organizations and school districts engaged in food distribution, education and advocacy.

The Share Food Program is pleased to serve the community in accordance with USDA civil rights regulations.

For more information and assistance, the Delaware County Health Department Wellness Line is available 24 hours a day, 7 days a week. In addition to responding to phone calls, the Wellness Line also responds to email inquiries.

Phone: (484) 276-2100 (Available 24/7)
